EMURGO

What is **EMURGO**?

Overview

EMURGO is one of the three entities that compose Cardano, and plays a **critical role** in its success.

EMURGO drives the adoption of Cardano and adds value to ADA holders. We build, invest in & advise projects that adopt Cardano blockchain.

What it means in practice

Where are we headed?

Yoroi vision

Yoroi will be your
**gateway to the
financial world**

- More features
- More integrations
- More platforms

Where are we headed?

Yoroi vision

Implement all the
latest features of Cardano

Such as...

- Multisig
- Staking

Staking Center in Yoroi

Get rewards for participating in the
Cardano network

Come join us!

- Install Yoroi
- Develop for Yoroi

iOS

Android

SEIZA

Why?

And how important is it?

- Critical part of a crypto-ecosystem.
- Decentralization is coming with a lot of **unique features** for Cardano!
- We just can make it better than block-explorers from other chains.

After installation and a
couple of minutes

I hate you!!!

A woman with dark hair is floating on her back in clear, blue water. Her eyes are closed, and she appears to be in a state of relaxation or meditation. The water around her is slightly rippled, and a small portion of a colorful float or mat is visible.

Find peace again

And next...
